

Pre-Enrolment Application

Student Details

Nationality:	<input type="text"/>		
Full Name:	<input type="text"/>	Preferred English Name:	<input type="text"/>
Date of Birth:	<input type="text"/>	Email Address:	<input type="text"/>
Skype Address:	<input type="text"/>		

Please submit the student's school report/transcripts/attendance report or evidence of her commitment to studies and English Language level; along with the following completed questionnaire (in the students own handwriting). If the International Director is satisfied with the student's performance you will be invited to apply for enrolment.

Student Questionnaire

These questions must be answered by the student in English and be their own original work. Your answers help us to assess your English level and suitability for our school. *(Please use additional paper if you would like to write more than the spaces provided).*

Explain why you would like to be a student at Marist College and what you want to achieve at school.

Describe your family and life at home and what you like to do with your family.

Describe your best friend. What do they look like and why are they a good friend.

I certify that the answers to the questions above are my own work and that I have received no help from others in writing them. I understand that my English level will be tested on arrival with the expectation of it being up to the level of this pre-enrolment application. If it is not I may be required to attend a full time English language school to prepare me for my placement at Marist College. I also understand that my English and maths will be tested on arrival and my year level will be determined by this result.

Student Signature:

Date:

Parent Questionnaire Please write in English, or include an English translation.

Please explain why you have chosen New Zealand as an international study destination for the student.

Application Process

After submitting this pre enrolment application, please expect the following enrolment process:

1. Complete the full Enrolment Form and sign the Declarations. Please ensure you have a current SKYPE address for an interview.
2. Complete the relevant living arrangements form (Designated caregiver / Homestay / Living with Parent).
3. Send all completed forms, plus a copy of student's passport and medical insurance, with a passport sized photograph to Marist College, 31 Alberton Ave, Mt Albert, Auckland 1025, New Zealand; or email scanned documents to international@maristcollege.school.nz
4. Once we received your application we will contact you.
5. If your application is approved you will receive 'A Conditional Offer of Place Letter' and an 'Invoice for fees'.
6. When your payment of fees has been received we will issue the Offer of Place and Receipt.
7. You can then apply for a Student Visa.
8. When the student visa is approved travel arrangements can be made. Please advise us of your travel details and arrival date.
9. We welcome you to Marist College.
